

**Remarks/Arguments:**

Please change the attorney docket number associated with the application from NAKI-BM33 to 62478-2100.

Claims 1-4, 6-13, 15-16, and 18-19 remain in this application. Claims 1, 5, 14, and 17 have been canceled.

The specification and claims 1-19 were objected to as containing the term "judgement" in place of "judgment". This rejection is moot in light of the amendments to the specification and claims contained herein changing "judgement" to "judgment". No new matter was added.

Claims 1, 5, 14, and 17 were rejected as being unpatentable. This rejection of the claims is moot in light of the amendments contained herein canceling claims 1, 5, 14, and 17.

The Office Action acknowledged that claims 2-4, 15, and 18 would be allowable if rewritten in independent form. The amendments contained herein do so rewrite claims 2-4, 15, and 18. As such, the claims are now in form for allowance.

The Office Action acknowledged that claims 6-13, 16, and 19 would be allowable if amended to replace any occurrences of "judgement" with "judgment". The amendments contained herein do so rewrite claims 6-13, 16, and 19. As such, the claims are now in form for allowance.

It is believed that the case is now in condition for allowance, and an early notification of the same is requested. If the Examiner believes that a telephone interview will help further the prosecution of this case, he is respectfully requested to contact the undersigned attorney at the listed telephone number.

I hereby certify that this correspondence is being deposited with the United States Postal Service as First Class Mail in an envelope addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on April 14, 2004.
